

IMAGE REQUIREMENTS

FOR THE ZOOMGIVE DIGITAL PLATFORM

Banner Image

The dimensions for the banner image is 768x112.

This image size accommodates web, iPad, and mobile browsers.

Logo

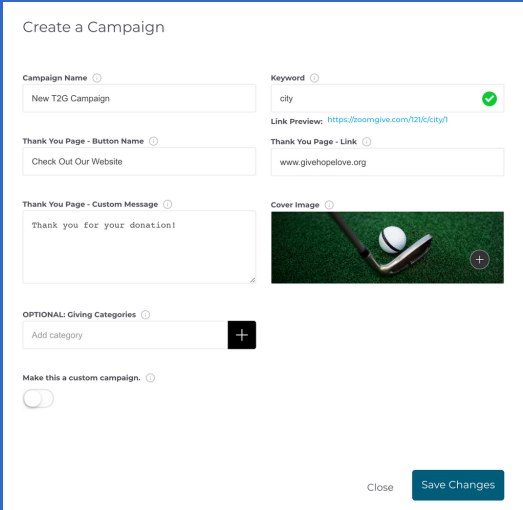

The dimensions for the logo is 200x200. This size will accommodate both the logo space on the home page (across all browsers) and the QR code generator.

PLEASE NOTE:

The intent of the banner image is to showcase an image that is representative of your brand or event.

A stock image works best as it will scale properly across all browser interfaces.

If you need a free/affordable stock photo resource database, check out freepik.com.

The screenshot shows the 'Create a Campaign' form with the following fields and options:

- Campaign Name**: Input field with 'New T2G Campaign'.
- Keyword**: Input field with 'city' and a green checkmark icon.
- Link Preview**: Text showing 'https://zoomgive.com/t2g/city/?'.
- Thank You Page - Button Name**: Input field with 'Check Out Our Website'.
- Thank You Page - Link**: Input field with 'www.givehopelove.org'.
- Thank You Page - Custom Message**: Text area with 'Thank you for your donation!'.
- Cover Image**: Image upload area showing a golf ball and club on a green field.
- OPTIONAL: Giving Categories**: Section with an 'Add category' input field and a plus icon.
- Make this a custom campaign.**: Toggle switch currently turned off.
- Buttons**: 'Close' and 'Save Changes' buttons at the bottom right.

Please note due to the unique dimensions of each browser, your image will show up differently across each user interface. Therefore, please select an image with the main feature in the middle of the image.
